Peters Supports Efforts to Renovate La Jolla Fire Station

SAN DIEGO -- Mayor Jerry Sanders, Council President Scott Peters, and San Diego Fire Chief Tracy Jarman joined the La Jolla Sunrise Rotary today for an Open House and Fundraiser to support the renovation of Fire Station #13 in La Jolla.

Fire Station #13 consists of a garage attached to a private home, and was originally planned as a temporary facility. 14 years later, the station is in dire need of repair.

In appreciation for the hard work of their local firefighters, the La Jolla Sunrise Rotary has volunteered to raise \$450,000 in cash and in-kind donations for structural improvements, interior fixtures, landscaping and other much-needed repairs. Over \$100,000 has already been raised.
